

Optimize your Scrip Experience. Sign up for Presto-Pay and get Reloads and ScripNow! on demand!

Presto-Pay™ is a convenient way for your family to pay your organization online at the time you place your order. Great Lakes Scrip Company will electronically accept your payment on behalf of your non-profit organization.

GLSC will automatically debit your checking or saving account for the face value amount of your order, plus a small convenience fee of \$0.15, and hold that payment until your non-profit's order has been released by your coordinator. If you order Scrip Now! or reload an existing card, the payment will be withdrawn from your account the same day.

When you log into your shopwithscrip.com, you will see a banner message across the top of the page:

“You do not have a PrestoPay account. [Click here to create one](#)”

Click on the link or select PrestoPay from the tab on the left side of the page.

Complete the form with your banking information, and select a 4 digit pin that you will use when you opt to pay with PrestoPay. Click “Next.”

At this point, you will need to wait for GLSC to verify the account. This process takes about two business days. You can still place your order, but must pay by check until your account is completely verified.

To verify your account information, Great Lakes Scrip Center will make two small *deposits* of money into your designated account. Once you receive the deposits, take note of both amounts and return to your Family Home Page on ShopWithScrip.com.

The banner message will now read:

Your PrestoPay account has not been verified. [Click here to verify.](#)

Click on the link.

You will be prompted to enter the amount of the two deposits. Enter the numbers (no decimals) and select next.

GLSC will email you a 4 digit approval code. You will need to email this approval code to Mary Straffon at mkstraffon@gmail.com. Once Mary has entered your approval code, you will be able to pay for your orders using PrestoPay.
