

Cafeteria Service

Cafeteria service will again be provided by Ovations, sponsored by the Archdiocese of Detroit. Meals will be priced at \$3.50 and will be nutritionally balanced including a protein, grain, fruit, vegetable and milk. Lunch orders will be taken online! You will need to activate an account. Here are the steps to follow:

- Go to <http://www.orgsonline.com>
- Select “Create New Account”
- St. Hugo’s school code is: 321SHHSMI
- Provide the information requested
- Your email address is your user name, you will create your own password

Remember, this is a prepaid program. You will be notified when the menu is available online along with the cutoff date for ordering. Simply login to your Orgsonline account, select “Place Order” and make your choices for each child. Select “Submit Order” and a confirmation email will be sent to you. Click on “Current Balance” and that is the amount you will remit to St. Hugo. Place your cash or check – made payable to St. Hugo School with “lunch” on the memo line – in an envelope. Be certain to have your name and “Lunch Program” on the outside of the envelope and send it to the school office. If you forget what day(s) your child ordered lunch you can check by logging in to your Orgsonline account. Please note: the system will not accept orders after the cutoff date.

When your child picks up their lunch in the cafeteria they simply tell the cashier their name. If a child forgets their lunch they can obtain a lunch pass from the cafeteria cashier. The lunch pass costs \$3.50 and entitles your child to an entrée, if an extra is available, or a cheese sandwich, fruit, veggie and milk.

Free and reduced lunches are available to qualified families. You can apply online at www.lunchapp.com (school district is Archdiocese of Detroit). Forms are also available in the Front Office.
