Books: All student books are included in the tuition rates.

Graduation Fee: Families with an 8th grader will be charged a \$100 graduation fee.

Chromebook Fee: For the 2022-2023 school year, all students entering 4th grade and *new* students entering grades 4-8 will be provided with a Chromebook. The Chromebook will be theirs to use for the duration of their time at St. Hugo and theirs to keep upon graduation. The cost, including a 3-year accidental warranty, is \$300 and will be added to each family's Smart Tuition account in the year the student receives the Chromebook. For a complete copy of the St. Hugo of the Hills Chromebook Program Policy and Family Agreement, see: schoolspeak.com

Parent Service Hour Credit: Those parents providing service hours will receive a tuition credit of \$30 per hour served, up to a maximum of \$300.

Cost to Educate: The actual cost of educating each student is \$250 above the average FOP tuition rate (not including school building capital expenses which are fully funded by St. Hugo parish and other fundraising efforts). St. Hugo parish collections must cover the difference between tuition collected and the cost to educate each student. It is vitally important that all families who are able support St. Hugo parish through Sunday offertory and other fundraising efforts.
